**The Justinian Foundation** is a 501(c)3 nonprofit organization founded in 1996. The charitable arm of The Justinian Society (1935), the Foundation's sole purpose is to provide financial assistance to law students currently enrolled in an accredited law school in a program of study leading to a juris doctor degree. Scholarship candidates must be admitted to an accredited law school within a one hundred (100) mile radius of the City of Philadelphia and must be entering, at a minimum, their second year; or must meet the requirements for specific scholarships. All gifts are tax deductible. In addition to our general scholarships, our two named scholarships include the Jules Fiorvanti Scholarship which is granted to a student at LaSalle University interested in the study of law. The Richard F. Furia, Esquire Scholarship is granted to the winner of an essay contest with a focus on advocating against stereotyping and defamation.
